SUBJECT

Temporary appointment of miss. M. G. Hammattekar in the State Medical Service on a pay of ~~Rs.~~ 300/- per mensem.

Sb. 5. No. G. 11127 Dt. 5. 3. 29.

To The Senior Surgeon in Mysore.

States that there is no case for granting a duty allowance of Rs. 75/- per mensem to Mrs. Hammattekar temporary, Lady Asstt. Surgeon

GJS 18/10

Letter No. D.O. C.1183-3 dated 10th December 1928 from the Senior Surgeon in Mysore, to the General Secretary to Government.

1/ Your D.O. letter No. G. 7014 dated 8th December 1928, I propose Lady Assistant Surgeon Mrs. Mathurabai Uchgavkar (who is now attached to the District Hospital, Tumkur, (female Department) to the charge of the Vani Vilas Hospital, Mysore, during the absence of Mrs. M.J. Whale on leave or until further orders. I further propose that Miss. Julia Lobo, Lady Assistant Surgeon, may be transferred from Vani Vilas Hospital, Mysore, to Tumkur.

2 I may note that Mrs. Mathurabai was once before in charge of the Vani Vilas Hospital, Mysore, as a temporary measure. She did good work on that occasion.

3 As regards the filling up of the vacancy in the Lady Assistant Surgeon's cadre, I recommend the appointment of one Miss. M.G. Hanmattekar, M.B., B.S., whose application just received, is herein enclosed. She appears to be very suitable candidate. She comes from North Kanara and her mother tongue is 'Kannada'. I have wired to her to say if she would accept a pay of Rs.200 in the permanent cadre or Rs.300 in the temporary establishment. As soon as I hear from her, I shall submit a further report. She may, after appointment be posted to the Vani Vilas Hospital, Mysore as Resident Medical Officer.

Sir,

In continuation of my letter No.C. 1183-3, dated the 10th instant, I have the honor to append on the margin a copy* of the telegram received to-day from Miss. M.G. Hanmattekar intimating her willingness to accept a place on Rs.300/- in the temporary cadre..

I have the honor to be,

Hanmattekar.

The Senior Surgeon,

Mysore State, Bangalore.

Sir,

I have been informed by Prof. Nadgir that there are some posts in Bangalore, which are open to qualified lady doctors and I beg to apply for one of them.

I passed the degrees of M.B.B.S. of the University of Bombay in July 1927 securing a good numner of marks in all subjects. I was a government scholar throughout my medical course. My proficiency in the respective subjects can be well apprehended by the testimonials I have secured from professors of respective subjects under whom I have worked on one hand and of the late Deans of the Grand Medical College on the other.

As regards my practical knowledge of the subject, I am now working here as a Hon. House Surgeon to the Cama & Albless Hospitals since the 1st of October 1927. Ever since my appointment to this responsible post I have had ample opportunities of performing various sorts of operations under the supervision of the Senior Medical officers of these hospitals, true copies of whose certificates have also been attached herewith for your consideration.

I come from Ankola, a taluka in North Canara. My mother tounge is Kanarese in which I can speak and write.

Should you be pleased to confer upon me any of the said posts

posts I shall spare no pains in discharging my duties to the entire satisfaction of my superiors.

Thanking you in anticipation of a favourable reply and hoping to be excused for the troubles,

I beg to remain,

Sir,

Your most obedient servant,

M. G. Hanmattelear.

Dr. Miss M. G. Hammatokar acted as Clinical clerk in the Wards of Sir J. J. Hospital under me for a period of three months. I was very pleased with her work both in the Wards and in the Laboratory. Her knowledge of Medical subjects is excellent and I recommend her for a resident post at any Hospital as a suitable assistant.

I have known Dr. Miss Mankali Gopal Hanmattekar ever since she joined the Grant Medical College as a First Year Student in 1921. As the Dean of the College at that time I had to do with her admission and I was impressed with the fact that at the Arts College which she had been attending before her entry upon the Medical Course, she had been the only lady Student of her community and had done very well in her studies there. I soon found out that financially she would have some difficulty in completing her studies but luckily I was able to get her some assistance in this direction from time to time. For the first Year I was her Professor in Chemistry and I was able to prove from her assiduity and progress that I had made no mistake in my estimate of her character and ability Though I have now no connection with the Medical College I have continued to take the same interest in Miss.Hanmat--tekar and I am confident that now she has passed the final Examination she will have a very successful and - useful career. Her high ideals, her conscientious and - dependable character and her calm and graceful demeanour would make her an acquisition to the staff of any Hospital and will serve her equally well when she comes to engage in practice in after life.

This is to certify that Dr. Miss Hanmattekar,M.B.,B.S has been under me as House Surgeon for one year while I have been in charge of these Hospitals. During this time she has been working in the Medical, Surgical and Obstetric Wards of the Hospital and has thereby gained a great deal of experience and has proved herself very capable. By nature she affable, kind, tender-hearted and sympathetic in her manner towards - her patients. There are two large Maternity Wards in this - Hospital, one for normal cases and the other for all cases complicated with diarrhaea, dysentery, obstructed labour cases cases interfered with by dhais and septic cases. So Miss - Hanmattekar has had chances of obstetric operations, such as Forceps, Version, and Craniotomy etc. I am sure she will give satisfaction in any responsible position in a Hospital or Maternity Home.

I have much pleasure in stating that I have known Mis Mankali Gopal Hanmattekar for several yeays. She has always struck me as an intelligent and industrious young lady, taking keen interest in her work. As she belongs to a community which is intellectually backwerd, she had to overcome many an obstacle before she could complete her course and her success at the recent .B.,B.S. Examination is certainly creditable to her.

I have a high opinion of her attainments and character and can confidently recommend her for a responsible post.

Med. 3-28-18.

Sir,

With reference to your letter No. G. 6404-Med. 17-1-1929, conveying sanction to the appointment of Miss. M.G.Hanmat tekar, M.B.B.S., as temporary Lady Assistant Surgeon, I have the honour to state that I have posted her to the VaniVilas Hospital Mysore, in place of Miss. J.Lobo transferred to the District Hospital, Tumkur, (vide G.O.No.G.F. 264/Med. 15-28-20, dated 12th December 1928.

I may in this connection observe that the Lady Assistant Surgeon attached to the Maternity Hospital, Bangalore, is designated as a Resident Medical Officer and is granted a duty allowance of Rs.75/- a month. The responsibilities of the Lady AssistantSurgeon attached to the Vani Vilas Hospital at Mysore where also about 800 to 1000 maternity patients are being treated are in no way less and she has to do all the ~~expected~~ expected duties of a Resident Medical Officer though she is not designated as such. I therefore recommend that the Lady Assistant Surgeon attached to the VaniVilas Hospital at Mysore may also be granted a duty allowance of Rs.75/- a month.
